

ACC-VI summer camp Family Week policy

Every year ACC-VI budgets a sum of money as an annual expense for bursaries to support families wishing to attend the ACC-VI summer camp Family Week. The money available is divided by the number of applicants to determine the bursary amount per youth.

“Families” here is interpreted broadly to include any close relationship between adult and youth, such as grandparent, aunt/uncle, neighbour etc.

- Bursaries are available to youth under 19 accompanied by an adult, where all applicants are current members of ACC-VI.
- Bursary applications must be completed at the time of registration, accompanied by full payment for the accompanying adult.
- The payment due for the youth will be due following a decision about the bursary amount available.
- As part of the bursary application process, applicants agree to take part in a community project, as organised by the Youth and Kids Coordinator.
- It is also hoped that bursary recipients will contribute to a written report for the section’s publications - the Bushwhacker newsletter, the Island Bushwhacker Annual and/or slide show presentations.
- If a refund is due to camp participants at the end of the accounting process, the amount due for each bursary recipient will be pro-rated according to the balance they have paid.
